8. If you want to know about the average price of previous sales, click Market Price on the upper part. Select specified auction house and car model.

Also, if you find some favorite cars you can save it and review in My List box on the upper part.

9. If you want to purchase from "One Price Cars", please click Search by maker on the lower part. One price cars are offered at fixed price (not bidding) before they are auctioned.

So, if you accept the offered (fixed) price before the auction starts you can purchase it quickly without bidding. The auction sheet with grading of one price cars is same as that of bidding cars, and purchase procedure is also same.
